Student of Higher Technician in Programming at Teclab Institute (2nd and last year).

I am a proactive, organized and responsible person.

With my work experience, I have become an independent and efficient person, able to diagram informatics solutions in a fast and effective way.

Nowadays, I am expanding my abilities in Front End area, learning languages such as Javascript, also frameworks and libraries.

I am in the search of new challenges that give me the chance to grow as a professional.

SKILLS

- English: Advanced
- Portuguese: Basic
- Microsoft Office: Advanced
- Corel Draw: Advanced
